Revolutionary Reading Pen with Assistive Technology

Scan, Learn, Succeed: Your Path to Academic Excellence.

The IRISPen Reader 8 is especially an educational helping tool. Makes part of the environment of Assistive Technology & Dyslexia Learning Aid Technology.

Only offline mode (No Wifi Needed). USB-C headset is included in the product for better concentration during work sessions.

Assistive Technology: Empower your child's learning by saying goodbye to exam anxiety! Scan questions and provide immediate reading assistance for your child.

Dyslexia Learning Aid Technology: Our technology isn't just about scanning; it's a lifeline for dyslexic individuals and their families or teachers. Read aloud, highlight text, and offer crucial reading assistance. This scanner doubles as a Dyslexic Learning Aid, fostering inclusive education. Helping DYS children in their everyday life.

The DYS Children's helper, IRISPen Reader 8, is your go-to companion. Empower learning, enhance communication, and transcend barriers with a tool that's as versatile as it is impactful. Elevate every learning experience and embrace success, one scan at a time!

Key Features

- Fully offline for full data security: no foreign cloud server.
- USB-C headset is included in the product.
- Scan text and save: you can scan directly text lines, save the lines as a file, and export the file to your computer. This function is available offline for 48 languages.
- DYS text-to-speech: you can scan text lines and these lines are converted instantly into speech. These functions are available offline for 5 languages (English, French, German, Italian, Spanish).
- Live Recording: you can live record voices during class for example and save your record as an audio note.
- Photo OCR: You can take a picture of a text, and the text will be instantly recognized and changed into editable text. This function is available offline for 15 languages.
- Settings: you can decide about your own settings for the optimal use of your IRISPen Reader 8. Interface: 11 Languages: English, French, German, Italian, Spanish, Portuguese, Dutch, Danish, Swedish, Romanian, Czech.

Quick Reference Guide
