Revolutionary wireless mobile battery scanner

Whatever the place, wherever you are : IRIScan Anywhere 6 Wifi is a light, autonomous, standalone, high resolution, lithium battery powered portable colour document scanner that allows you to scan contracts, shipping notes, invoices , receipts , medical prescription, patient files records, business cards, pages , letter & A4 color documents.

IRIScan Anywhere 6 Wifi can easily be transported & connected wireless to your smartphone or tablet on the go. It's an ideal companion for those on the go who needs to scan important documents with always a very high quality image standard whatever the paper size (up to A4/letter), the paper type (glossy, matte, plastic - ID card, credit card, medical card, etc.) and whatever the environment you are in (outside, inside, sunny, dark, over exposed , etc.). All images will be stored in your smartphone' preferred directory thanks to the free App "IRIScan PDF scanner" ready to be shared immediately to your office, colleague or secretary.

Business men dealing with legal & invoice management, medical prescription, patient file management, hospital & service desk, ID Cards or business card management, shipping notes or banking & finance document workflow will be delighted to capture perfect quality image' documents on the go or via USB cable when at office.

Powered by HQ OCR , IRIS highest Quality Optical Character Recognition, you will be able to convert scanned images into searchable PDFs, editable Word, Excel or Text while supporting up to 138 languages.

Such new companion helps you empowering the enterprise' productivity while increasing big time employee' satisfaction.
